Conferences and Parent Survey:

Thank you for taking time out of your busy lives to join us for conferences. Many teachers will continue to conference this Friday afternoon as well as next Friday, Nov. 6th. Please be on time so that you can take full advantage of your time. Don't forget that there will be computers on in the shared spaces during conferences so that you can take our **parent survey**. Results will be shared with you in upcoming newsletters. We use this information to help shape our goals for this year.

Family Access:

You should have received a letter regarding Family Access by now. At the primary level, you will not use this system as much as you will as your children age up. However, it is important to become familiar with the system now, so that you are ready for it as they enter 4th grade. If you have any questions about it, please let us know.

PTA Cookie Dough:

What a successful fundraiser! If you sold products, please make sure to put Nov. 4th on your calendar. This is the **ONLY** day to pick up your frozen cookie dough at DHES. It must be picked up that day, so if you can't be there, please make other arrangements.

Honoring our Veterans

There will be an assembly on Monday, November 9th at 1:30 to honor our Veterans. Please plan to join us in the Multi-Purpose Room. If you know a veteran, invite them along. One of our favorite things to do is publicly recognize those veterans who are present and say thank you to them. Call the office at 862-6600 to tell us the names of anyone you're bringing so that we can honor them in a special way. Cub Scouts from Pack 527 will lead this assembly. Mrs. Housden, our integrated arts teacher, has been teaching patriotic songs to our students to sing at the assembly as well. Come join us!

Please remember to check out the website at www.dieringer.wednet.edu for updated information on a variety of school and community information. The PTA website at ltespta.org is also a great resource.
