

# NORTH TAPPS MIDDLE SCHOOL

---

**“Learning Today for Tomorrow’s Challenges”**

November 10, 2009

Dear Parent,

This letter is being sent to the parents of all North Tapps Middle School students. The information contained in this letter will hopefully help you in planning for upcoming parent – teacher conferences.

Parents of students wishing to conference with their child’s teachers will need to schedule a specific conference time by calling Carol Engstrom at the middle school office at **862-2776**. Those parents that should strongly consider making an appointment are those whose children are struggling academically or may have social or emotional issues that would be important to discuss. A schedule of conference sessions is found below to help you to make arrangements.

**Conference sessions:**

Wednesday, November 18<sup>th</sup> 7:30 – 9:30AM and 4:00 – 7:00PM

Thursday, November 19<sup>th</sup> 7:30 – 11:00AM and 12:00 – 2:30PM

**Sixth grade core teacher conferences (math, science, language arts and social studies) will be held in the NTMS library while seventh and eighth grade core teacher conferences will be held in teachers’ classrooms. All elective teacher and health/fitness teacher conferences will be held in the commons and will not require an appointment.**

Participation by students at conferences this year is optional. The inclusion of students at conferences may be at the request of teachers or parents.

If you have questions about conferences, please feel free to contact the middle school.

Sincerely yours,

Pat Keaton Principal,  
North Tapps Middle School
