Dear Parents,

This summer parents were informed that the district will not be providing transportation home from contests held with schools in the Auburn League. This decision was made for budgetary reasons and because of the low numbers of students taking advantage of the service when it was offered.

The purpose of this letter is to remind parents of the no bus return policy and to give parents time to make other arrangements for the safe return of their student-athletes. We are concerned that some players might be left at other schools or North Tapps without a ride home, so to prevent that we are supporting a carpool effort.

Please review the options below; **check the one that you prefer** and return this to your student's coach prior to the first game:

\_\_\_ If I am not available to pick up my child at the end of the game, I am willing to allow any other player's parent to transport my child home following games.

\_\_\_ If I am not available at the end of the game, I am comfortable with the following parents providing transportation home for my child:

(List all names below – please print)

|----|----|----|
| 1. | 2. | 3. |
| 4. | 5. | 6. |
| 7. | 8. | 9. |

After the game, it will be your student's responsibility to follow your directions regarding transportation home, so please speak to your student about the option you have selected.
