

NORTH TAPPS MIDDLE SCHOOL

Yearbook Purchasing and Signing Agreement

This signed agreement must be submitted at the time of purchase of a North Tapps yearbook.

I understand and agree that no one has the right to deface or damage the yearbook of another student. Inappropriate drawings, words or any marring of another's yearbook will result in the following:

- Fine assessed by the principal for any and all damages (this may ultimately result in the offender being required to purchase a new yearbook to replace the damaged yearbook)
- Disciplinary action which could range from detention to suspension from school
- Loss of the offender's yearbook for the remainder of the signing period (a parent may pick up the yearbook in the office following the last day of school)

I have read this agreement, will abide by these rules and I understand the consequences if I do not.
