Silent Fundraising

Silent Fundraising is an easy way for families to support our schools without costing you a penny. Lake Tapps Elementary PTA has partnered with select organizations that will donate a small percentage of your bill back to our PTA. It only takes a couple minutes to register your accounts! Now is a great time with the Holidays coming up!

Below is a list of our "silent" fundraisers and how you can easily participate. Direct links to all three programs can be found on our LTES PTA website. We appreciate your support!

Go to: smile.amazon.com and type in Lake Tapps Elementary PTA to select our school. Then do all of your amazon shopping from smile.amazon.com! Family and Friends can also participate.

Internet search “Fred Meyer Community rewards”. Scroll down the page to select “Re-enroll or link your Rewards Card now" and follow the instructions to link to Lake Tapps Elementary School PTA.

Go to: royalty.redrobin.com to register or sign in to their rewards program. Select the “Red Robin Royalty” tab at the top and scroll down for ‘Burgers for Better Schools’ to select one of our elementary schools. Then just show your Red Robin rewards card at the time of purchase.
